

CURRICULUM VITAE (CV)

KELVIN KAISEYIE

P.O.Box 461-01000

Mobile No: +254 769085592

Email: kelvinkaiseyie@gmail.com

Nationality: Kenyan

CAREER OBJECTIVE

To gain industry experience in Computer Science through an industrial attachment opportunity, while applying my academic knowledge and developing practical skills in software development, systems analysis, information technology and Security.

EDUCATIONAL BACKGROUND

2023- 2026

Mount Kenya University

Bachelor of Computer Science

2018 - 2022

NYAMBARIA HIGH SCHOOL

Kenya Certificate of Secondary Education (KCSE)

Mean Grade: B-

2007-2017

KISHON MILIMANI ACADEMY

Kenya Certificate of Primary Education (KCPE)

Marks: 386

WORK EXPERIENCE

Student: **2023-2026**

Mount Kenya University

Academic Project Work:

1. Biometric Multi-Factor Authentication System (MFA)

Technologies: React, Python, Flask, MySQL, OpenCV, OTP (Email/SMS)

- Designed and developed a secure full-stack authentication system combining password, One-Time Password (OTP), and facial recognition.
- Built a responsive frontend using React for user registration, login, and verification workflows.
- Implemented biometric verification using facial recognition to enhance user identity validation.

- Integrated OTP-based second-factor authentication to strengthen system security.
- Developed RESTful backend APIs and ensured secure storage of user credentials and biometric data in MySQL.
- Enhanced system protection against unauthorized access through multi-layered authentication mechanisms.

2. Online Art Gallery Platform

Technologies: HTML, CSS, JavaScript, PHP, MySQL

- Developed a dynamic web-based platform that enables artists to upload, manage, and showcase their artwork.
- Designed and implemented a responsive user interface using HTML, CSS, and JavaScript for seamless cross-device interaction.
- Built server-side functionality using PHP to handle user authentication, profile management, and session control.
- Implemented secure image upload, storage, and retrieval mechanisms using MySQL database integration.
- Enhanced user experience by enabling efficient browsing, searching, and interaction with artworks.

OTHER ACHIEVEMENTS

- Successfully completed coursework projects in programming and system development
- Participated in group academic projects and presentations

COMPUTER PROFICIENCY SKILLS

- Programming Languages: Java, Python, JavaScript
- Web Technologies: HTML, CSS
- Databases: MySQL
- Operating Systems: Windows, Linux
- Version Control: Git (basic)
- Microsoft Office: Word, Excel, PowerPoint

LANGUAGES

- *English*
- *Kiswahili*

EXTRA CURRICULAR ACTIVITIES

- Member of Computer Science Club
- Participated in coding and technology-related activities

LEADERSHIP POSITIONS HELD

- Class Representative – 2025
- Group Project Team Leader – Google Developer Group(GDG MKU)

INTERESTS

- Programming and software development
- Cybersecurity and emerging technologies
- Problem solving and innovation

REFEREES

Referee 1

Name: Madam Ann Ondiba

Job Title: HOD IT

Organization: Mount Kenya University
